TSX.V - GIGA

## Giga Metals Engages The Armchair Trader

(Vancouver, B.C., Canada) – Mark Jarvis, CEO of Giga Metals Corp. (TSX.V: GIGA, OTCQX: GIGGF, FSE: BRR2) announced today that the Company has entered into a corporate awareness agreement with The Armchair Trader, headquartered in London.

The Armchair Trader will provide advertising to increase awareness of the issuer through editorial content, interviews, events, podcasts and news coverage. The Armchair Trader does not provide Investor Relations or Market Making services. The agreement was signed November 1<sup>st</sup>, 2023, and the campaign will cost CDN \$30,000 for 7 months. The Armchair Trader currently holds no securities in Giga Metals.

### London Event & Meetings

Mark Jarvis will attend the [Beyond The Channel Investor Event](#) at The Royal Society of Chemistry on 30th November, 2023. The event will bring together high net worth investors and qualified C Suite executives.

Mark will also be available for in-person meetings in London from November 27<sup>th</sup> to December 1<sup>st</sup>, 2023. Please contact Holly Millar [hmillar@gigametals.com](mailto:hmillar@gigametals.com) to request a meeting.

### About The Armchair Trader

Established in 2011, The Armchair Trader's mission is to educate, inspire and provide financial news, insight, and analysis on what is happening in the markets. Designed for self-directed and sophisticated investors, an experienced team of investment writers provides the site with in-depth insight into popular financial markets, including listed equities, currencies, commodities, and other financial opportunities.

### About Giga Metals Corporation

Giga Metals Corporation's core asset is the Turnagain Project, located in northern British Columbia, which contains one of the few significant undeveloped sulphide nickel and cobalt resources in the world. Turnagain is held in Hard Creek Nickel, a subsidiary owned 85% by Giga Metals Corporation and 15% by Mitsubishi Corporation. The Pre-Feasibility Study was released in October 2023.
